# ADOPT-A-PARK

The Adopt-A-Park Program is designed to promote community involvement while maintaining and beautifying neighborhood parks and recreation facilities. The program is designed to be a low-key, relaxed and informal approach to involve people in the community to keep an eye out of potential hazards, vandalism and general park mistreatment. Through these partnerships the Town is able to maintain and improve the park system as well as keep our parks beautiful and safe for the enjoyment of our park users. The idea is for residents of a neighborhood to take ownership of their local park and improve the quality of the park through synergistic collaboration and creative activities as well as increased manpower. The adopted park is encouraged to be used as a focal point of neighborhood activities.

- Identify a park or trail you would like to adopt and type of project/activity you would like to do.
- Request an application from the Lillington Parks & Recreation Department. Complete the application and return to 607 S. 13th Street or [bharris@lillingtonnc.org](mailto:bharris@lillingtonnc.org). You will then be contacted to discuss the adoption procedure. Parks & Recreation staff will work with the volunteer group to identify park needs.
- Once the "Adoption" is approved, the Adopt-A-Park Agreement is signed, and the requesting group can begin.
- Coordinate your project (s) with the Parks & Recreation Department. Necessary tools, materials and supplies may be provided to help the adopting group with their projects. Scope of project will depend heavily on the fiscal year budget for Parks & Recreation Department.
- All volunteers must sign a waiver release and service agreement prior to participation in the program.
- Recruit and schedule volunteers from your organization to implement the program.

**Submit a quarterly activity report or pictures to update your progress.**

## WHO CAN ADOPT-A-PARK?

Any civic-minded individual, group or organization can adopt a Lillington park. Corporations, Garden clubs, social clubs, Scout groups, student organizations, youth sport teams, homeowner associations are just a few examples. Participants must be at least 12 years old to participate.

## PARKS AVAILABLE FOR ADOPTION

- \* River Park (311 E. Duncan St.)
- \* McPhail Park (406 W. Front St.)
- \* Community Center Botanical Trail (607 S. 13th St.)
- \* Lillington Park (405 S. 1st St.)

## VOLUNTEER COACHING OPPORTUNITY

15

Coaches are some of the most influential role models in kids' lives today. Are you up for the challenge?

With the explosive growth of recreational youth sports, the need for knowledgeable and experienced coaches is greater than ever before. A successful coach...

- is motivational and inspires athletes to improve and work hard.
- is knowledgeable about the skills and tactics of the sport.
- is relational and excellent at communicating with players and parents.
- possesses good character and is a positive role model.

In order for the players to have a fun experience and develop their skills we need volunteer coaches! If you are able to volunteer for our aspiring youth, please contact Brandon at [bharris@lillingtonnc.org](mailto:bharris@lillingtonnc.org).

*"A coach will impact more young people in a year than the average person does in a lifetime."*

*- Rev. Billy Graham*

## ATHLETIC SPONSORSHIP OPPORTUNITY

Are you interested in sponsoring one of our youth sports teams? Sponsoring our youth sports teams helps display your community pride, defray the cost of jerseys and awards, and advertise your business. Team sponsorships start at \$300. For more information, please contact Brandon at [bharris@lillingtonnc.org](mailto:bharris@lillingtonnc.org).

# SENIOR ACTIVITIES

- **Senior Fitness:** Ages 55 and older. Low impact fitness tailored to meet the needs of the senior citizen population. This class is held on Monday, Wednesday, and Friday mornings at 10 a.m. and is free of charge.
- **Senior Corn Hole:** Ages 55 and older. Senior corn hole is held on Monday, Wednesday, and Friday mornings after senior fitness. During this time seniors enjoy time of socializing and sharpening up on their corn hole skills.

- **Senior Bingo:** Ages 55 and older. It's the fun of Bingo and the enjoyment of socializing with friends. Senior Bingo is held each Wednesday at the Lillington Community Center after senior fitness.
- **Senior Book Club:** Ages 55 and older. Our seniors meet once a month to discuss the book that was chosen by the club the prior month. It is a great time of fellowship and engaging with other book lovers. Book club meets on the 4th Thursday of every month at the Lillington Community Center.
- **Senior Craft Class:** Ages 55 and older. Seniors get together monthly to create different crafts. The craft class is led by Mrs. Peggy Barnes and is fun for people of all crafting skill levels.

*Lillington Parks and Recreation  
Department*

**PETE MCPHERSON  
"VOLUNTEER OF THE YEAR AWARD"**

The Pete McPherson "Volunteer of the Year Award" was created to honor individuals who demonstrate the spirit of giving of their time and talents to the community and the Lillington Parks and Recreation. This award recognizes an individual who exemplifies outstanding service within the last five years.

Named after Alex "Pete" James McPherson, of Lillington, who passed away on November 11, 2020, after a long and courageous battle with cancer. Pete McPherson volunteered and worked with the Lillington Parks and Recreation for more than 13 years. He served as a member of the Advisory Board and the Booster Club. In 2008, Pete was recognized as "Man of the Year" by the Lillington Area Chamber of Commerce. Pete was also awarded the first ever "Volunteer of the Year" Award from Parks and Recreation for being a positive role model and for his countless hours of volunteer work making parks and recreation program and the community a better place. This distinction given to an individual who embodies the true definition of a volunteer who unselfishly strives to lift up others in reaching their best. Pete was a wonderful man who was very dedicated to the Town of Lillington. Always having a smile on his face and joy in his heart sharing his humor and lighting up the space around him.

The Town of Lillington Parks and Recreation Department is forever grateful for his service and dedication to the Lillington Community. Mr. Pete has set the standard of what we look for in a volunteer for our department. We will continue to honor his legacy and his name for many years, through this award.

# FAQ

## **I live in Lillington but am being charged the non-resident rate. What is considered a Town of Lillington resident?**

A resident is an individual who lives within the town limits of Lillington. A non-resident is an individual who lives outside of the town limits of Lillington. Simply having a "Lillington" address does not make one a resident; the corporate town limits is what dictates whether or not an individual is a resident. In order to receive the resident rate, an individual must live or own property inside the Town of Lillington town limits (meaning he or she pays Town of Lillington property taxes) and must show picture ID along with one of the following: Town of Lillington Utility Bill, apartment/ housing lease or a mortgage statement.

## **How do I create an account through your RecDesk portal to register for programs?**

When registering for an event online for the first time, you will go to [www.lillingtonpr.recdesk.com](http://www.lillingtonpr.recdesk.com) and select create account. Once you enter all of your information and submit it, you will see a page that states "Account is pending approval. You will receive an email when that step is complete." Someone from our staff will review your account within one business day and will approve your account as being either a resident or a non-resident. Once your account has been approved, you will receive an email stating your account has been approved and that you may now register for programs and activities. Once you receive the approval email from RecDesk, you will be able to login to your online account and register for the program(s) you wish to register for by selecting the "program registration" tab at the top of the page. Please know, that each member that you wish to register for a program must be approved through this same process.

# FAQ

**I am trying to create an account through your RecDesk portal but it is telling me that my email address and/or phone number is already on file. What do I do?**

If you receive an error message stating that your email address and/or phone number is already on file with us, that simply means that you (or someone that you share an email address or phone number with) have registered in person for something with us and we already have your account information on file. In order to help eliminate duplicate accounts, you will be unable to create a new account. All you need to do is contact the Parks and Recreation office and one of our staff members will be happy to provide you with the information you will need to get your online account set up.

**Help, my child is 10 and I am trying to register him/her for a 10U sport but it says he/she does not meet the age requirements, why can't I get him/her registered?**

All of our sports have age cut off dates. For example, the age cut-off date for our fall sports is November 1st of the current year (this year the age cut off is November 1, 2025; next year it will be November 1, 2026; etc.). So if you are trying to register your 10 year old child for 10U football because he/she is 10 right now, but he/she has a birthdate of October 31st (or any date before November 1st), he/she will need to be registered for 13U football because he/she will be 11 before the November 1st age cut-off date.

Lillington Parks & Recreation offers something for everyone! From athletics to Family Fun night outs, to senior activities, to classes for preschoolers - and every age in between - a variety of programs are offered for all the ways you play!

Our Program Guide is printed two times out of the year: Spring/Summer (March through July) & Fall/Winter (August through February)

Stay on the lookout for our Fall/Winter Program Guide that will be published in July!

# THANK YOU!

We would like to extend a very big “thank you” out to the Kiwanis Club of Lillington. The Kiwanis Club’s mission statement is “Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.” Their motto is “Serving the children of the world.” The Lillington chapter has done that in so many ways for our community, including so graciously donating the funds for us to purchase an outdoor movie screen and all required equipment so that we are able to host free movie nights for children and their families. We want to thank them for everything that they do for our community.
